

DIGITAL R&D FOR THE HEALTHCARE INDUSTRY

O&C CASE STUDY 2019

Are you planning to start your career as a strategy consultant or do you want to learn more about the healthcare industry?
If so, we cordially invite you to the O&C Case Study!

WHAT DO WE OFFER?

◆ Casework:

Develop the future of the healthcare industry

◆ Case supervision:

Discuss your approaches with our consultants and present your results to our partners.

◆ After work:

Round off the day with dinner with our partners and consultants and ask all your questions about Otto & Company.

WHO CAN PARTICIPATE?

Interested students and postgraduates from all faculties!

APPLICATION
