

## O&C Senior Consultant (m/f/d)

### THE COMPANY

OTTO & COMPANY Strategy Consultants is an independent, global strategy consultancy focused on the healthcare industry. For and with our clients, we develop and implement holistic and feasible solutions for the strategic alignment and organizational repositioning of companies in a dynamic market environment.

In addition to strategic questions, such as the realignment and optimization of the business, we are also working on diverse other topics. A specific example would be ensuring competitiveness of our clients in the digital age. Our offices are located in Munich, Zurich, Madrid, Sao Paulo and Mexico City.

### YOUR PROFILE

- Outstanding university degree from a leading university
- 2 - 4 years of relevant practical experience in a management consultancy and/ or the healthcare industry
- Excellent knowledge about methodical work as well as analytical and conceptual thinking
- High customer orientation and enthusiasm for innovative solutions
- Strong entrepreneurial thinking combined with strong ambition
- Personal responsibility, persuasiveness, enthusiasm and willingness to work in teams
- High level of commitment, sociability and willingness to travel
- Excellent communication and presentation skills in German and English

### WHAT WE OFFER

- We offer you international project assignments on C-level
- We strive to offer our clients a holistic approach, which is why you will work on strategic questions as well as on the implementation and transformation
- We give you a high degree of responsibility for projects and internal assignments
- We integrate you right from the start as a full team member in our flat hierarchies and work with mentor/mentee partnerships
- We offer you a wide range of development opportunities coupled with creative freedom and entrepreneurial co-responsibility
- We rely on extensive programs to expand your industry-specific or methodical knowledge
- We organize international team events throughout the year to strengthen our team spirit

Send us your complete and meaningful application documents (cover letter with starting time and desired period, curriculum vitae, all university and work certificates, high school diploma) to [recruiting@otto-company.com](mailto:recruiting@otto-company.com). Please contact us by phone +49 89 12 555 150 (Lisa Reichenecker) if you have any questions.
